

1. Flourished italic and italic capitals

Flourishes can be an attractive enhancement to italic and italic capitals when well-designed and suitably placed in a text. The design of flourishes for italic minuscule and capitals will be taught in detail and their application in texts as required. One-to-one zoom tuition is recommended but there are also other possibilities if preferred. Zoom video with tutor-led demonstrations and student practice, supplied after each session, with tutor demo sheets scanned by e-mail.
